

## **Interfaith Community Against Domestic Violence Lethality Assessment Program**

**“Help! I’m being abused at home!”**

**What would you do if someone from your congregation  
told you this?**

### **Faith Leaders are First Responders to Domestic Abuse.**

Specifically Designed for Faith Leaders, this program will:

- increase your understanding of the victim’s experience and needs;
- give you a simple tool to assess a victim’s level of danger;
- provide you with a specific protocol to follow to increase a victim’s safety;
- increase your understanding of your important role in domestic violence as a faith leader
